THE 1975 MILESTONE

Yearbook of

GOVERNOR DUMMER ACADEMY

BYFIELD, MASSACHUSETTS

DEDICATION

In the fall of 1932 a young man arrived to join the Governor Dummer faculty. Today, forty-three years later, he has been actively involved in almost every aspect of school life. A member of the "Old Guard", a mathematics and Latin teacher, coach, dormmaster, he has been a stalwart pillar of this school. As the Director of Studies and advisor to the Senior class, he has brought excellence to Governor Dummer. In the most demanding positions of Dean of Faculty, choir director, chapel organist, and teacher, he is highly respected by faculty, students and friends of the Academy. Whether he is planning curriculum, arranging schedules, or just engaging in a conversation, he is always eager and willing to place the interests of others before his own.

For his devotion, dedication, knowledge, enthusiasm, and most of all for being a true gentleman, the Senior Class respectfully dedicates The 1975 Milestone with great pride and thanks to:

TO THE CLASS OF 1975

Late last spring several of us sat around one evening and, as faculty members sometimes will, talked not about the year just finishing, but about the one ahead--1974-75. There were a number of areas in which we knew that success would be unlikely without the help of the upcoming senior class. What we wondered aloud together was whether there would be strong leadership in the Class of 1975 and in whom it would show up.

To tell the truth, we were unable then to guess. Oh, we recognized potential leadership in certain areas of school life: in scholarship, in athletics, in an activity here or an activity there. But what we felt the need for was a stronger, wider, more positive influence--for some individual or a small group head and shoulders above the rest--to set and hold the pace.

If I express here my view that we have not this year found just what we thought we were looking for, let me hasten to add that we have encountered something essentially better. Instead of a small, strong core of leadership in the Class of 1975, we have witnessed--much more generally shared throughout the class as a whole--a tone, a direction, a standard which has fostered in the school the very sort of close-knit mutual concern for which we hoped.

Your class has produced its leaders: not few, but many and in diverse areas of Academy life, so that the effect has been one of leadership from the class as a whole in the interests of the community-at-large. That's the best kind! All of us whom you leave behind owe you a debt of gratitude.

Godspeed!

J.W.R.

Perhaps as equally as the many whose pictures appear on the preceding pages, these classmates helped to shape the Class of '75. They have left us, either by force or by choice, but that does not matter. The true importance lies in the memories we will have of them on June 7.

IN MEMORY OF OUR CLASSMATE

ANNE MARIE

MURPHY

1956 - 1973

Love and the loss of love, the loss of life, frustrations in one's hopes, birth—these are mysteries to each of us. Life is a mystery, but one can not unveil the mystery of death until one has lived. For life and death are one even as the river and sea are one.

One tends to fear the unknown mysteries, and try to reveal their secrets. But trust this longing to reveal the hidden, for in this knowledge is the gate to eternity.

PARENTS DAY

Once again Governor Dummer parents, families, and friends did not fail to arrive Saturday, October 26, for Parent's Day. Faculty members met with apprehensive parents to reveal junior's promising or discouraging classroom capabilities. A fine student in all respects? Meanwhile, the Field Hockey Team overwhelmed Buckingham-Browne and Nichols in its best win of the fall season. During the midday, student waiters cheerfully served luncheon in the Alumni Gymnasium, under the supervision of Mr. Mitchell. Following the meal the enthusiastic crowd gathered to support both the soccer and football teams in tense afternoon matches. Varsity Soccer tied a strong Tabor 1-1, while Varsity Football lost a heartbreaker to Groton 15-14, undecided until the final gun. After the games, a reception was held in the Cobb Room, where hospitable faculty wives and efficient Red Key members served tea and cookies as players and spectators reaccounted exciting game highlights. The day drew to a close when families headed toward nearby restaurants for final advice and encouragement over dinner, and a happy goodbye.

HALLOWEEN

The Halloween dinner was one of the most memorable events of the fall. Audrey Cesareo demonstrated her… (see photo) and the Mafia arrived complete with a Slimbo. High-kicking field hockey players, "Take it off" Balfy, Ben Young in gorilla garb, and Steve Dunfey and the Deadbeats entertained everyone. Thanks must go to Jim O'Donnell for his ghostly appearance at the school meeting, and organizing the successful evening.

JAZZ BAND

The much enlarged and improved jazz band presented three concerts this fall. The fourteen member ensemble, under the direction of Mr. Stephen Blair, performed at G.D.A., a neighboring school, and in Boston at an Alumni dinner. The group featured vocalist Mary Anne Myers, whose appealing touch greatly augmented the band.

COMMUNITY SERVICE

Community service has always been an important factor in the lives of those who wished to participate in it. Though most of the community service projects took place in Newburyport and required the participating G.D.A. students to be driven into town, there was one phase of community service that took place right on campus. More than a dozen retarded children from the Kelley School in Newburyport were driven out to G.D.A. by their parents every Monday afternoon to participate in the recreation designed by Mrs. Williams and the community service workers. Activities that ranged from games to arts and crafts to dancing found their way into the weekly recreational period. Though the program catered to the enjoyment of the children, it succeeded in being anxiously awaited by the students.

Although Mrs. Williams had the smallest group of students ever to participate in the community service program, all students thought that their projects were worthwhile and beneficial to all involved. Four students worked at the Y Pool teaching swimming and learning life-saving, three worked with young children in the day care center, and one student helped out at the Newburyport YMCA.

FIVE EASY PIECES

During the fall, the Drama Club presented "Five Easy Pieces", an evening of five one act plays. Pat Barker convincingly portrayed the neurotic Mrs. Stevenson of "Sorry, Wrong Number". "The Tridget of Greva", a satirical dialogue, featured Peter Richardson, Jay Taggart, and Rob Kaplan. "The Still Alarm", included Peter Hampton and Doug Baker, as the cordial acquaintances, with extras Jay Taggart, Chris Darke and Joel Narva. One surprise of the evening was the talent of Mike Harding, in his premier GDA performance, opposite accomplished actress Anne Mackay-Smith in "The Bear". Fred Gemmer and Kristen Hilliard quaintly depicted the plight of inexperienced newlyweds in "Here We Are".

FALL SPORTS

The 1974 field hockey season was indisputably the best Governor Dummer has seen. Our record may not speak for the work done, but everyone realizes what an improvement occured. The team was larger than ever before, and there was more skill and potential than in previous years. The Most Valuable Player award went to three players this year: inners Lisa Johnson and Pam Pandapas, and goalkeeper Gretchen Huffsmith. This proved the reliance of the team on itself as a unit.

Performance depended largely on the mood and determination of the team members during the games, as it does in any sport anywhere. The skill was always there, but conviction and dedication fluctuated so much that skill was not always evident on the scoreboard. But disappointments were more than made up for by excellent matches against such ominous and awesome teams as Exeter and St. Paul's. The end of the season saw pride and satisfaction with what the team managed to accomplish. Much had been learned about working as a team and having confidence in that team. It was a fine season, showing that females at Governor Dummer, novel as they may be, have made a place for themselves in competitive sports.

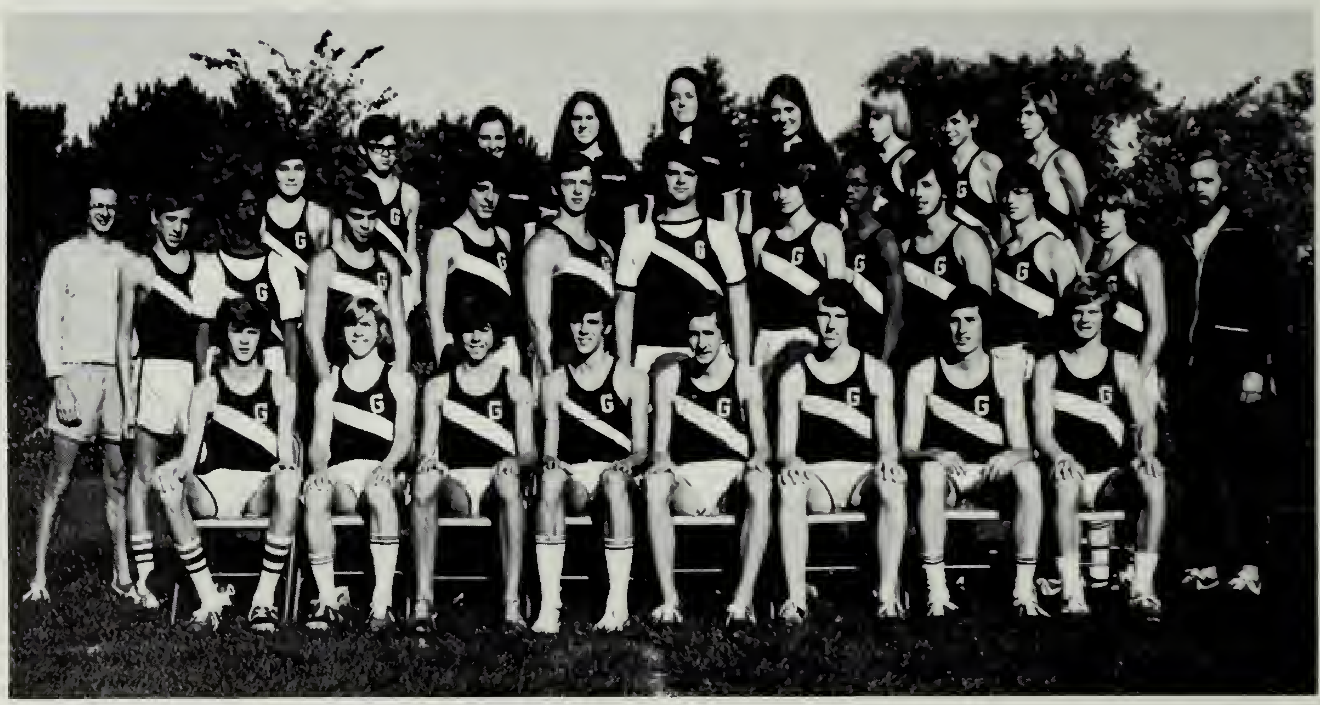
VARSITY CROSS COUNTRY

Although the 1974 Cross Country team failed to live up to many of its pre-season expectations, the fall was a valuable and satisfying experience. Four of the top five runners returned from last year's squad, and Coaches True and White were highly optimistic about the team. Costly injuries to top runners and a general lack of depth, however, were responsible for several close defeats that left the overall record a disappointing 7-5.

The season began on a positive note with a convincing victory over a weak St. Sebastian's squad, but back to back defeats by Andover and Browne and Nichols temporarily dampened spirits. The Governor's showed some of the class exhibited during the previous three years and bounced back to beat St. Marks and Moses Brown. They continued this trend with a narrow victory over Milton the following Saturday. For many, this was one of the teams most satisfying performances, as it took a total team effort to insure the triumph.



FIRST ROW: S. Purinton, D. Bohman, R. Squire, J. Harrington, R. O'Leary, J. Roome, J. Swenson, B. Pendleton. SECOND ROW: Coach White, T. Woolf, H. Cornwall, N. Kalckar, V. Chase, G. Pope, P. Richardson, G. Boulger, D. McKnight, C. Darke, R. Dole, W. Rahmanop, Coach True. THIRD ROW: R. Amjadi, T. Gage, F. Harris, J. Sargent, K. Rooney, V. Bell, S. Wood, D. Beattie, C. Laub.

The Governor's, plagued by injuries to key runners and the absense of Coach True, next dropped a tight race to an inferior Belmont Hill squad. With Mr. White now in command of the team, they split two tri-meets before traveling to Middlesex for the most important race of the season, the PSL's. Aided by clutch performances by the top runners, a highly respectable third place finish resulted. This was undoubtedly the high point of the season, for the Governor's revenged earlier losses to Browne and Nichols and Belmont Hill. They closed out the season by registering the third shutout of the fall at the expense of Lawrence before finishing a disappointing 9th in the Interscholastics.

The key to a successful Cross Country team is a balance of good front runners and considerable depth. Co-captain Rich O'Leary paced the team throughout the season, displaying incredible consistency, and posted a commendable 7th place in the PSL's. Rob Squire turned in clutch performances in several races, while Jim Roome's positive attitude and lust for victory was inspiring. Jack Swenson and Co-captain John Harrington provided the much needed depth, and Dave Bohman and Eric Laub proved to be definite assets to the team by the end of the season.

Once again the phrase "we should have won" applies to a Governor Dummer team. This year's varsity soccer team was packed with returning lettermen and experienced players, but managed to win only one game and to tie another.

On a Monday Afternoon the team traveled to Noble and Greenough, and won with goals by Bruce Hoglander and Reynaldo Arguello. Captain Sam was away at a college interview, but we kicked our way to victory anyway. That Wednesday the Governors played an excellent game against Milton. GDA dominated the game, but was unable to score. On the following Saturday, Governor Dummer proved it could tango with the best by tying a strong Tabor team 1-1, supported by an enthusiastic Parents Day crowd and Mr. Navin's sideline coaching. Against Middlesex, the team played well but slid to a muddy defeat.

Danny Auerbach had an outstanding season. He was selected to the All-Prep 1st Team at right wing, stole the M.V.P. honors, and was elected to captain next year's team with Tom Balf. John Spence finally received his much deserved recognition by being selected to the second All-Prep Team. Mike Zografos, football halfback converted to soccer fullback, was awarded the Navins Cup.

OD and Eddie Palmer added spark to the practices and all members will agree that they enjoyed the season. The season would have been much better, however, if the team had won just a few more games.

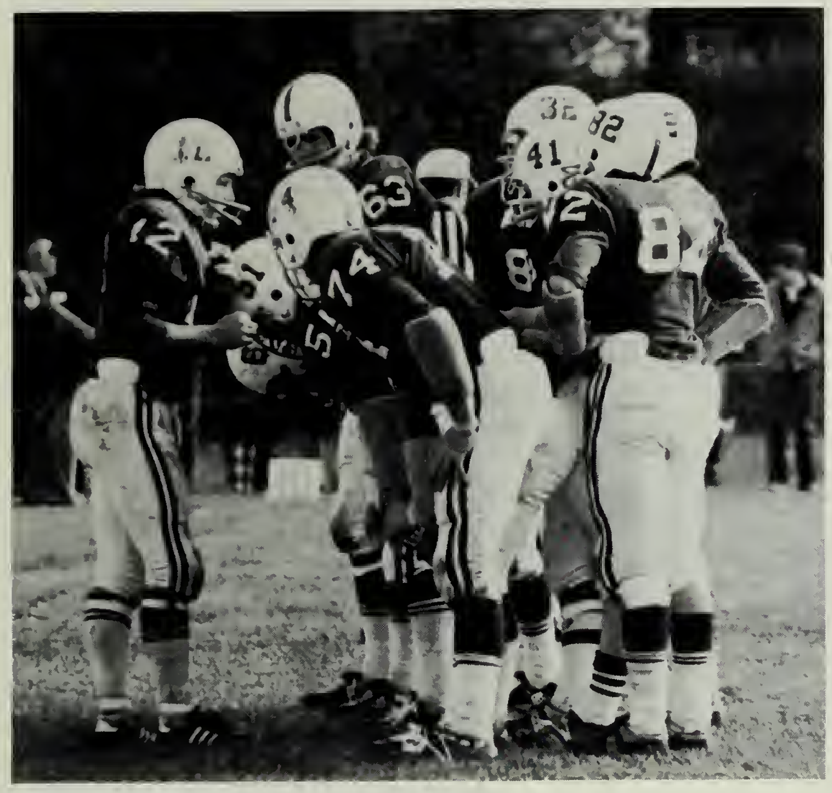
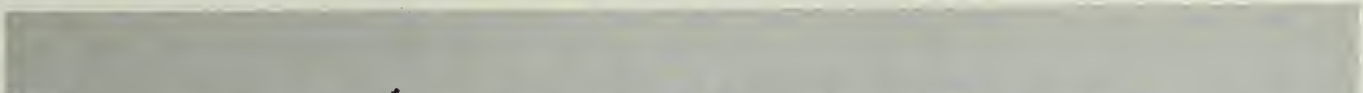
VARSITY FOOTBALL



Life brings many disappointments, but few can match those of the 1974 football season. Hopes were high when the team opened the season by defeating both Georgetown and Middlesex in scrimmages, but dropped quickly after a loss as St. Sebastians. The season continued in much the same fashion. A strong sense of optimism during the weekday practices was only discouraged by weekend losses. The team outplayed five of the seven teams we challenged, but could not seem to move ahead to win.

The team was fortunate to have a large amount of talent this season, proven when Nelson Johnson and Co-captain Ed Beardsley made the All-Prep Team. Five others made the 2nd Team, which included next year's Co-captain Tom Adams, and seniors Brad White, Pete Robertson, Pete Lenane, and Co-captain Ben Young.



FIRST ROW: P. Robertson, M. Sapuppo, D. Lyons, P. Lenane, B. Young, E. Beardsley, N. Johnson, C. Clark, B. McGary, B. Miller. SECOND ROW: Coach Meechem, B. Ross, S. Dunfey, J. Ogden, M. Awkward, P. Handren, Coach Anderson.

Nelson Johnson pushed to achieve a Governor Dummer record of 820 yards rushing in seven games. At the Belmont Hill game he rushed for 85 yards in one quarter before being injured. But the overall talent and strength was found in the team as a whole. This was evident when the coaches awarded the M.V.P. cup to all the seniors on the team.

The team faced each game with an obvious determination to win, but several unfortunate breaks caused the loss of some essential points. Luck did turn, occasionally, as in the Groton game on Parents Day. Mike Sapuppo recovered a fumble in the air and went for a touchdown. But even with their exceptional display of determination, the team was unable to overcome the 15-14 Groton lead. The game was lost, but each player felt rewarded when parents and spectators joined to support the Governors with a spirited standing ovation.

On the last weekend before spring vacation the drama club presented its winter musical, "The Boyfriend." Surpassing all hopes or expectations, the cast members thrilled audiences for three nights with sparkling performances.

While the entire play was a glittering performance, there were a few moments which were particularly memorable. Jay Taggart and Shelley Miller received four rounds of applause Friday and Saturday nights for their incredible dancing ability in "Won't You Charleston With Me?". Rich O'Leary as Lord Brockhurst "stole the show" whenever he was on stage; and the scene with Jamie Purinton in "It's Never Too Late To Fall In Love" was especially well done. Maria Papaioanou and Pat Barker harmonized beautifully in their duet, during a very touching point of the play. Josephine Henley added her own burlesque imitation to amuse everyone.

Acclaimed as "better than Camelot", and raved about by all who saw it, "The Boyfriend" was an example of the abundance of talent present at G.D.A. This was evident in the case of Dan Clayman, who had to learn the major part of Tony in just two and a half weeks; and he still did an excellent job.

VARSITY BASKETBALL

FIRST ROW: T. Balf, N. Johnson, E. Beardsley, B. McGary, M. Awkward. SECOND ROW: Coach Tindall, I. Suggs, A. Upson, R. Arieli, J. O'Donnell, M. Swindell, B. Levin, E. Palmer, Man. Richardson.

The 1975 basketball season was a disappointing one. Winning five and losing eleven, the team experienced a dismal season. All members agreed that they should have and could have won more; however, the team was not ashamed of their season. Coach Tom Tindall experimented throughout the season, but could not diagnose the problems well enough to provide wins.

Before Christmas, the squad posted a 2-1 record and optimism was great. In the opener against Nobles, first game jitters took their toll as the Governors lost 43-36. Nelson Johnson, who was to be the premier source, posted only 12 points, while Captain Ed Beardsley had only six . Mike Awkward, playing his first varsity game, popped in eight.

The next two games, versus Groton and Lawrence, were played much more professionally and were both wins. Johnson hit for 16 versus Groton as the Governors squeezed out a 38-37 victory. Guard Bob McGary posted his season high with nine. Lawrence was a 59-57 win. The first home game was not decided until the final gun. The squad left for vacation with high spirits and hopes for a good season.

Unfortunately, the three week break took its toll as they returned to drop six straight.

Highlights of these games included the appearance of Jim O'Donnell on the scoreboard. In the Belmont Hill loss, center Ed Beardsley ran into foul trouble and O'D was called upon to fill in at this tough position. He responded to the challenge, scoring seven and out rebounding the combined efforts of the rest of the team. He pulled down 14 in the second half and established himself as a starter. Unfortunately, the Governors played undefeated Rivers in the following game and lost 71-43. Johnson and O'D tied for top score with nine a piece.

Other highlights include Nelson's 30 points in the Middlesex game. He hit 16 for 18 from the foul line and added 7 field goals, yet could not produce a victory. O'D's eight helped but not enough as the Governor's lost 62-54.

The Governors finally overcame the losing streak in the Brooks game on February 5th. Tom Balf ran the offense well and it proved quite effective. Beardsley and Johnson controlled the rebounding and also posted 10 and 23 points, respectively. Junior Mike Awkward dropped in 10 and Junior Murray Swindell hit four for G.D.A. Milton crushed the Governors in the next game 66-33. Nelson Johnson ran into early foul trouble and scored his season low of six.

They came back from this disappointment to beat St. Paul's 52-49. Ed Beardsley led the scoring with his season's high of 21 while Johnson pumped in 18. Again the offense was well run by Balf, Johnson and Beardsley, the latter dominating the boards. After losing a heartbreaker to the Alumni, 75-73, the Governors met Buckingham-Browne & Nichols in Cambridge, whom they expected to beat. Nelson hit his career best with 31 points, but the rest of the squad had only 30 and the Governors lost, 74-61. McGary and Beardsley fouled out and Coach Tindall had a difficult time finding someone to fill the shoes of these experienced seniors.

After a loss to Milton, 70-38, the Governors came back and outplayed Roxbury Latin, 51-42, in the final match of the year. The scoring was spread among 10 players, which showed the evenly balanced character of the game. Johnson had ten, Swindell and Beardsley with eight, Balf had his high of seven, Palmer popped in four, Awkward with three, Suggs and O'D had two a piece, and Al Upson made one foul shot. Brad Levin and Ron Arieli also played well defensively.

As winter neared, so did the prospects for girl's varsity basketball. Along with last year's returning varsity and junior varsity players, also came two unknowns, Brit Babcock and Pam Pandapas, who added with our coach, Mrs. B-ball Baker, to form the girls ball club.

The season started strong, losing by only two points to a powerful Exeter squad. Before our second contest, the team was down by one, as Lisa Johnson was out for the remainder of the season with a fractured foot. In the next game versus Pingree, the combined efforts of varsity and J.V. totalled a victory of 36-8. After our first loss to Andover, the team once again lost to Exeter by two points, 24-22. The team's second victory came versus Lawrence, 53-25, with Gretchen's high of 18 points.

Then came our most important game of the season against St. Pauls. Before packed bleachers, after hours of "dinner" practices, with an almost perfect offense and defense, and Captain Fi's outside "luck" shots, the fearless (senior) five and the threatening (sophomore) three defeated S.P.S. by 8 points for the first time in girls athletics at G.D.A. The season ended with Vicki Bell spraining her ankle, and a loss to B.B. and N. left the team with a 3-4 season.

Next year's co-captains, Lisa Palais and Sarah Cavanagh will lead the experienced team to victory over Exeter.

VARSITY WRESTLING

This year's Varsity Wrestling team was a vast improvement over last year's in terms of a win-loss record. Last year's team ended up with a 2-8-1 record but was a very green team. This year we regained seven of last year's letter winners with an eighth one going to a free term. However, the team gained several wrestlers from the J.V.s, who have proved to be very able at holding down a varsity spot. It has been these new wrestlers along with the solid backing of returning lettermen that have given this team a 6-4 record. Six members of the team will be graduating; but the J.V. has been larger and stronger than in the past.

FRONT ROW: J. Narva, M. Vorreuter, N. Kalckar, S. Dunfey, C. Clark, M. Sapuppo, W. Rohmanop, E. Laub. SECOND ROW: Coach Evans, D. Clayman, T. Adams, J. Swenson, B. Kennedy, B. White, D. Handren, C. McConnell, Man.

Three of this year's newcomers deserve special mention. Eric Laub, a sophomore who wrestled J.V. last year, ended up with a very commendable record of 6-2-1. Hopefully he will return for a good season next year. Dave Handren was another newcomer, and he used his experience to compile a 5-2 record. Mike Sapuppo had never been on the mats before this winter, but did very well despite the circumstances. Mark Vorreuter had an excellent season, and his future in wrestling looks very promising.

Of the returning wrestlers, all performed well, but special mention must go to those who wrestled at the heavier weights. They rarely weighed the weight that they wrestled at. Tom Adams, Bruce Kennedy, Jack Swenson, and Craig Clark switched on and off the heavy weights. Steve Dunfey and Brad White traded off at 145 and 152. Steve did not have as good a year as expected, but Brad was at the top of the league. Niels Kalckar is the last returning letterman, and his future next year, with Tom Adams, seems to be aimed at two championships. Only six of this year's team will be returning next year, and we can only hope that Mr. Evans can find some newcomers for another winning season.

VARSITY HOCKEY

The marks of a successful season are good team spirit, good players, confidence, and some wins. All these qualities were exemplified in this year's Varsity Hockey Team. The team's 3-13 record does not show the success accomplished this year. The Governors rose in the league from tenth to ninth place, and finished third in the north division.

The season began with great expectations. Close losses to Brooks, near success in the Brooks Tournament, and a close loss to Bishop Fenwick before Christmas Vacation did not get the team down. A 3-0 loss to Nobles was no embarassment for the Governors, as compared to last year's humiliation. After a loss to B and N, the team beat Middlesex 4-2, with superior play from goalie Greg Pope. The team then fell into a slump, and lost the next five games by four or more goals, although it turned out an impressive game against league leading St. Sebastians.

The team rose from their slump and quite handily defeated M.I.T. The game was marked by freshman Harry Noyes' hat trick, junior Brian Noyes' two goals, and senior Benny Young's four points. The Governors then dropped a game to Belmont Hill by six, but improvement was evident over last year. St. Marks skated with the Governors for about a period and a half before being defeated 5-2 with Greg Pope's assistance. The final game was a tough 4-3 loss to Groton.

The team scored more goals (49) than any other Governor Dummer team in history. Benny Young was the team's leading scorer with 11 goals and 11 assists for 22 points, followed by juniors Brian Noyes (7 goals, 6 assists), Jeff Ogden, (3 goals and 9 assists), and Jim Roome with 6 goal and five assists. Greg Pope was outstanding in the nets, and was one of the reasons for improvement and success this winter. He played in all sixteen games and held a 5.31 goals against average.

Due to vastly superior competition, injuries, and a lack of indoor facilities, the 1975 Winter Track Team compiled a losing record. With these factors in mind, the team as a whole was inconsistent in all areas.

On February 22nd, the team closed its season by taking fourth place out of six schools at the Interschhols at Moses Brown. Outstanding performances came from seniors Rich O'Leary, Rob Squire, and Captain Dave Bohman. Bohman took third place in the 600 while O'Leary captured second in the one mile.Squire ran a strong race to keep his time consistent in the two mile.

Next year's Winter Track Team will suffer from the loss of many valuable seniors; but with the support of Captain-elect Howard Cornwall and enthusiastic juniors, the team could have a satisfactory season.

Due to the lack of snow throughout the season, cross country meets were constantly being postponed or cancelled. However, we did manage to participate in four meets: at Concord, Middlesex, and two at Groton.

To look at the season by statistics, G.D.A. was fifth out of five at Concord, tied at Middlesex, third at Groton, and fourth in the second Private School meet at Groton. Although the statistics are not impressive, the team had a really good winter. Next year Hubie Smith and Skip Pendleton will be missed immensely; but with a little more snow, next year's team, lead by Vernon Chase and Barry Ross, will definitely improve.

Even Alfred Hitchcock could not have matched the excitement of Aristotle's "The Birds". Anne Mackay-Smith, Susie Fowler, and Dave Porteous produced and directed the play as a spring term project. This year's Varsity Lacrosse team had a very successful season in terms of a win-loss record. The team was led by co-captains Ed Beardsley and Ben Young, both of whom were elected to the New England All Stars. Mr. Evans and Mr. Anderson were also instrumental; they molded the team into a winning one, although probably picking up ulcers along the way.

The team's overall record, not including the Alumni game, was 9-5. The team's greatest victories were over an undefeated St. Marks 3-2, and Tabor 9-7. The latter win brought the G.D.A.-Tabor Challenge Cup back to Governor Dummer for the first time in six years. Other gratifying wins were over Nobles and St. Pauls.

This year's attack was led by Co-Captain Ben Young, who was the leading scorer on the team in New England. Jim Roome was the surprise of the season as the second leading scorer. Mike Harding and Jeff Ogden were the finishing touches on what could be considered the best attack unit in the league.

The midfield was not a particular strongpoint of the team this year. The one midfield, however, that did do well consisted of Brian Noyes, Jim O'Donnell, and Dave Higgins. These three did most of the scoring, and it is lucky that the team is only losing one.

The defense will be the most secure part of the team after graduation. Two starters, Co-Captains Ed Beardsley and Greg Pope, will be missed, but Eric O'Brien, Tom Adams, and both goalies are returning to lead next year's team.

D. Auerbach, P. Lee, A. Sterge, T. Balf, W. Gemmer, D. Bergmann, D. Miller, Coach Harlow.

The Varsity Tennis Team managed only a 6-6-2 record this spring. Although the record is good for Governor Dummer athletics, most of the team members were disappointed.

The number one player for G.D.A. was Co-Captain Tom Balf. His excellent play and leadership gained him recognition throughout the league, and the MVP. Peter Lee played outstanding singles in the number two position. Co-Captain Wheeler Gemmer and Dan Auerbach rounded out the top four. Dan and Tom will captain next year's team.

With only two seniors leaving, and six returning players, the varsity should be one of the top three teams in the league. Mr. Harlow's inspiration was invaluable this spring, but another year of experience for these players will definitely be the determining factor towards a near perfect season. Although the goal of a winning season was not attained, everyone on the varsity enjoyed himself immensely.

This year's girls Varsity Lacrosse team was a definite improvement over last year's team, missing an undefeated season by two goals. The squad began the spring with a booming victory over Exeter 7-2, progressing to a 5-2 victory over Thayer Academy who had been undefeated for two and one half years. Later in the season we surprised St. Paul's, 6-5, and at a Round-Robin day in Concord, the Varsity defeated both Radcliffe's and Brown's varsity, 3-1 and 3-2, respectively. G.D.A. made Lawrence Academy its last victim, 12-1.

Ginny Sutton, the high scorer, Sarah Barry and Allison McElroy led the straight attack and produced many skillfull plays. Center Debbie Gravelle was significant to both defense and offense while Brit Babcock and Sam Adams assisted in bringing the ball down for the score as attack wings.. They were backed by defense wings Kathy Wise and Co-Captain Vickie Bell, both playing well and consistently throughout the season. Shelagh Warren, Co-Captain Fiona Harris, and Jeanie Walz did not seem to get all that much action but did a splendid job keeping the ball away from the cage. Huffsmith carried the team sitting down most of the time, and blocked more than 50 percent shots on goal. She made an outstanding attempt to score in the final minutes of the last game, saved by the horn.

The team sees Mrs. Baker as the most valuable coach and who brought together a fantastic team. With the returning underclassmen, the girls' should remain powerful and victorious in the future.

Varsity baseball was disappointing this season. The team just couldn't get anything going, managing only a 1-13 record. There were a few bright spots though. First of all, G.D.A. won its only game at home against St. Sebastian's with a great seven run rally in the last inning, capped by a game winning single by Reynaldo Arguello. It was an impressive victory but the team was never able to get it together again despite the efforts of Coaches Moonves and Ragle. Another bright spot this season was the pitching staff. The Governors got some great pitching from Jamie Bedard against Belmont Hill, Milton, and St. Paul's, from Gerry Carbone against Tabor and St. Mark's, and from the future G.D.A. star, Todd Dagres, who helped all season.

G.D.A.'s hitting improved over last year's, highlighted by some home runs of co-captain John Giampa and catcher Dana Russell. The team's batting average was also better from previous years.

In the field, the team was very strong with an infield that was anchored by senior shortstop Dave Bohman, and an outfield senior Barry Miller leading the way.

One ray of hope: the team is only losing three seniors. Hopefully next year they will have a winning season.

The 1975 Varsity Track Team had a rather disappointing 4-5 season. This was the first time in eleven years that the team had a losing record. Mr. Sperry's quotation sums up the season: "The season was not a failure, because in all but one case, the teams we lost to were just better than we were."

The team's main weakness was inexperience. The team lacked the depth needed to win all the possible points in each event. Only people such as James in the high jump, Johnson in the long jump, McAlleenan in the triple jump, O'Leary in the mile events, and Kalhori in the hundred yard dash had previous experience. Al Upson and Bruce Kennedy were surprises, and turned in consistent performances.

MVP Johnson and Co-Captain O'Leary felt that the rookie underclassmen showed great enthusiasm. The coaches hope that this enthusiasm will turn the team to achieve a winning season next year.

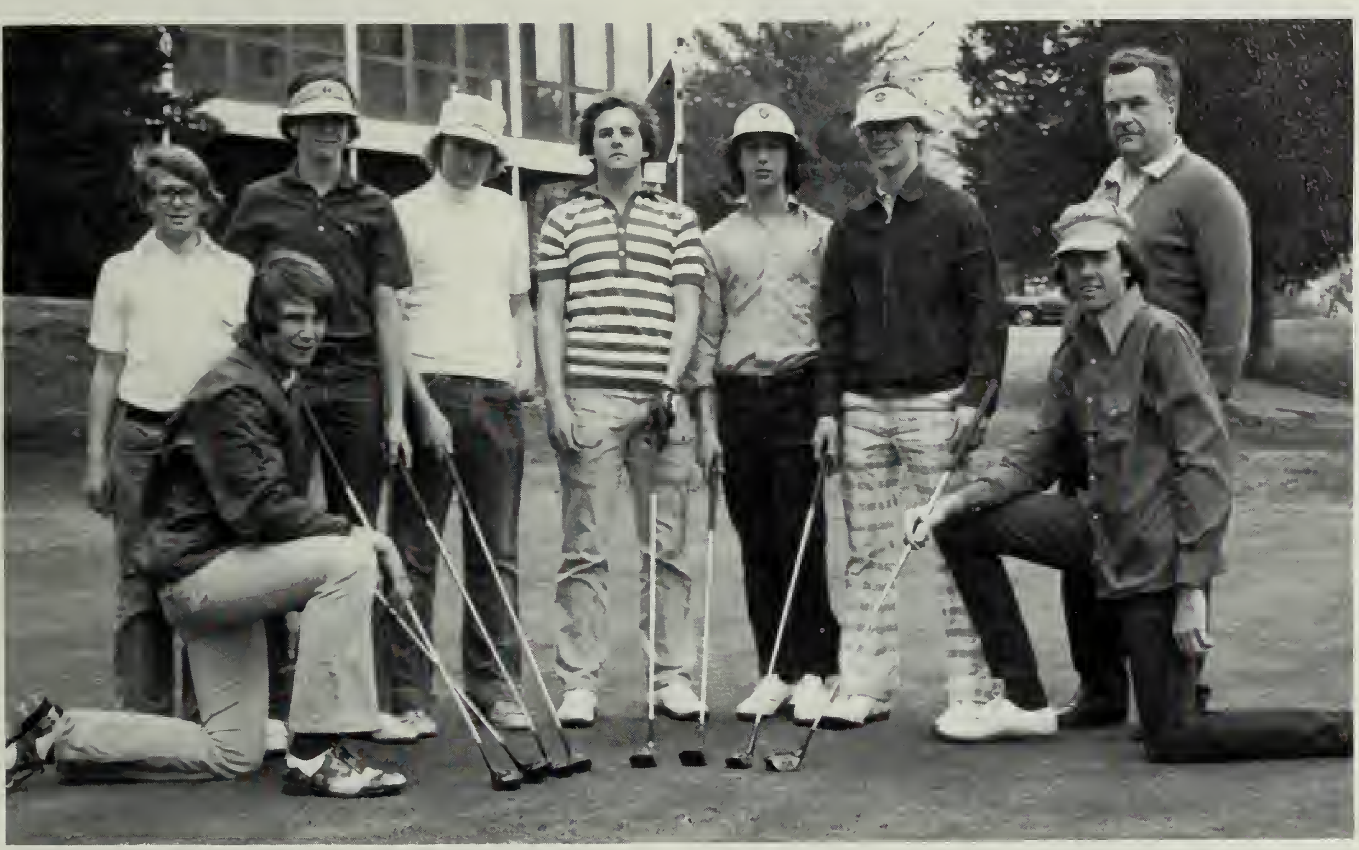
VARSITY GOLF



LEFT TO RIGHT: T. Richards, J. Webster, A. Leahey, F. Kelly, B. McGary, M. Weinshel, C. Taylor, C. Caldwell, Coach Eames.

The Varsity Golf Team had a tough year competively. The beginning of the schedule was particularly rough, but the team was finally victorious at the end of the season. In a match against Rivers, the Governors displayed excellent golf, by shutting out the opponents. This win inspired the team greatly, and it was able to carry the momentum into the final match of the year against St. Sebastians.

All members of this year's team will be returning except Co-Captain Bob McGary and Frank Kelly. Mark Weinshel should play number one next year, closely followed by Chip Caldwell and Tim Richards. Tim was chosen as the MVP for the outstanding improvement and play throughout the season. Chris Taylor, next year's Co-Captain with Chip Caldwell, should challenge from the number four position. Sophomore Allen Leahey will certainly help out, judging from his performance this spring. Such a line-up should make G.D.A. golf outstanding next year.

The G.D.A. Discipline Committee consists of four Faculty members, two seniors, and two juniors. The student members are picked by the Student Government. They and the Faculty discuss a disciplinary case and suggest an appropriate action to the Headmaster, who makes the final decision. During the course of the year, the two seniors are replaced by two more seniors.

SOCIAL COMMITTEE

Under the leadership of Jim O'Donnell, the 1974-1975 Social Committee has proved to be one of the most efficient and "entertaining" organizations in recent years. The calendar started with several home mixers in the gym and the Halloween Party, which was co-ordinated with Fred Gray and the Kitchen. Another event sponsored by the Committee was a trip to hear the Marshall Tucker Band in Boston. By far, the Invitational Weekend (Feb. 7-9) was the most successful affair of the year. Accredited to the Committee was a wheeling and dealing night at "Monte Carlo", a great meal on Saturday night, a matinee showing of "M.A.S.H.", and the largest turnout in four years.

With all the enthusiasm shown by the Committee and the entire student body, social life on campus looks optimistic for next year.

JUNIOR MILESTONE

All nighters in the Milestone Room, peanut butter, "I'll be in the darkroom", "Sorry...no pictures!", "Where is that photographer?", "Grabbo can't do everything!", "Would you like to buy an advertisement for the Governor Dummer yearbook?", "Last day to sign up for team pictures"-all these things and many more are all a part of The 1975 Milestone.

This year's staff, headed by Wheeler Gemmer, has tried to produce the best yearbook it could by stressing three areas: well designed layout, excellent pictures (by Mike Zografos), and the inserting of captions!

THE

GOVERNOR

The 1975 GOVERNOR had a year of both development and trouble. It was seen in print eight times during the year and featured such columns as Pete Richardson's "AS YOU LIKE IT", a full coverage of each term's sports, and Anne Mackay-Smith's periodical literary page. However, the paper did have financial problems, and so subscriptions were increased by offering THE GOVERNOR to the alumni. THE GOVERNOR should be highly commended for reaching a more precise quality of writing, a variety of topics for articles, and a more effective use of pictures.

Anne Mackay-Smith, Pres.

Along with the fine productions that have been put on this year, there have been numerous people who have contributed a lot of time and effort to the various aspects of drama. Miss Franklin, Mr. Blair, and Miss Tindall are three, directing students and the bands involved in doing a play. Miss Tindall gave special attention to the stage setting and other technical aspects.

Students to be commended for their outstanding work are Mark Bennett, for his stage crew work, Nina Chiara for her ingenuity with the costumes and make-up, Anne Mackay-Smith and Lisa Johnson for their student directing and acting, Dan Clayman's acting and set design, Pat Barker, Maria Papaioanou, Jay Taggart, and Rich O'Leary have all added to the welfare of the Drama department through their acting skills.

THE MORSE FLAG
1975

The Morse flag was first awarded 62 years ago at the 150th Commencement of this school on June 9, 1913, and it has been awarded each year since that time to the senior whose record in all respects has met with the highest approval of the faculty. According to the trust established by the late Rev. Glenn Tilley Morse, a long-time friend and trustee of the Academy, a new flag is provided each year in order that the old flag which has flown during the past year may be given to a member of the graduating class.

This year the Morse Flag is awarded to:

RICHARD HOPE O'LEARY of Framingham

Perhaps the clearest way in which to define Rich O'Leary's qualifications for this award is to point to his attainments as symbolic of the contributions of one of the strongest senior classes to emerge from the Academy in the recent memory of many here on the Faculty. Rich first came prominently to my attention as one of that intrepid group of sophomore boys who volunteered one day in the dining hall to help Mrs. Ragle put a new coat of paint on a tired-looking Little Red Schoolhouse. And during many free hours that spring they actually did persevere in decorating the venerable little building beside us here almost as liberally as they decorated themselves and each other. If it had not been that which distinguished Rich, it would have been something else. Premier proctor for Mr. Clunie's Mason Cottage, Editor-in-Chief of *The Governor*, conscientious student representative to the Discipline Committee, Tour Guide extraordinaire, member of that indomitable and indefatigable group of distance runners developed under Mr. True, Co-captain both of Cross Country and of Spring Track, a star in the glittering production of "The Boyfriend", inventor of the wheel and the multiplication table in a glorious performance as the intrepid George Antrobus in "The Skin of Our Teeth", Harvard University's answer to Dartmouth's pre-empting of Morse Flag winner Jim Pramberg last year. There is more -- where do I stop for breath?

What is really important however, is not Rich's individuality or his talents, his unstinting and cheerful accomplishment, but his total investment of himself in whatever he has undertaken to do -- most often in the interests of his class or of his school. Our admiration, Rich, and our congratulations!

THE ACADEMY PRIZE

There are two prizes which are awarded by vote of the entire faculty: one is the Morse Flag, awarded earlier this evening; the other, the Academy Prize. Upon the retirement of Headmaster Ted Eames in 1959 the underclassmen of the Academy endowed the already existing Academy Prize so that henceforth at each Commencement it could be given "in Honor of Edward W. and Eleanor K. Eames so that the qualities they so deeply prized might be prized in turn by future and succeeding classes." Those visiting the Phillips Building will find inscribed on the paneling outside my office door, in the entry-way of the Cobb Room, the names of all Morse Flag winners, reaching back to 1913, and the winners of this Academy Prize from 1931.

Each year that senior is honored by the Academy Prize "who, in the eyes of the entire faculty, by his or her unselfishness and sportsmanship has best exemplified the spirit of the school."

Earlier this month the faculty pondered deeply ten strong nominations. Tonight's winner emerged from a select group, indeed.

No one has cared more about her classmates or her school. No one has contributed in more ways. I am not going to try to recount them, for they are legion; in everything she has done she has invested herself totally. Most important she has been what a loving critic always is: generous, giving, a contributor -- but expecting from each of us, individually and collectively, the highest and best we have to offer. She cares.

It is fitting that, as in 1975 the last representatives of that first group of girls to attend Governor Dummer since 1903 graduate, the recipient of the Academy Prize should be one of their number:

LOUISE SANBORN "LISA" JOHNSON of Byfield

GOODWIN ATHLETIC PRIZE

The Goodwin Athletic Prize, established by Mr. Fred H. Goodwin of the Class of 1916, a trustee of the Academy from 1916 to 1949, is given to the senior who, by athletic achievement and sportsmanship, has brought the greatest honor to his school during the past year.

As I begin the list of his accomplishments, his name can not long remain a mystery. Member of the Varsity football, hockey, and lacrosse teams from his sophomore year, co-captain of all three as a senior; Most Valuable Player for two successive years in lacrosse, after a memorable season new holder of the career scoring in that sport; he has also contributed through the Red Key Society, as Co-Advertising Manager of the yearbook, co-chairman of the Library Committee, and dormitory proctor *par excellence* to Mr. and Mrs. Mechem's preserve. His deepest strength has been shown, however, in his ability to accept - even while tired and discouraged - the leadership so often thrust upon him on the athletic field. Part of the reward for his dogged resolve has been a magnificent performance in his senior year on a strong and successful lacrosse team. Part of that same reward is now the venerable Goodwin Athletic Prize:

BENNETT READ YOUNG of Kennebunk, Maine

WILKIE SERVICE AWARD

This year's recipient could well have been recognized for his accomplishments from a whole spate of endeavors: in art, in music, in scholarship, for he is a member of the Cum Laude Society. For four terms in his junior and senior years, however, he has given his afternoons to serving others: children in day care centers, those people for whom the Turning Point Counseling Center in Newburyport has become a prop, the mentally retarded children who have come weekly to the campus and for whom he developed and directed a specially devised art program. Even in the midst of a demanding Senior Spring Term Project in music, which culminated two weeks ago in a spectacular recital, he volunteered, entirely outside the auspices of the school, at a second day care center.

For his dedication to the interest of others, the Wilkie Service Award is presented to:

SETH BERNARD ARSENAULT of Newburyport

ANNIVERSARY

THE ANNE MARIE MURPHY ATHLETIC AWARD

1975 is the second year in which this award has been made. It is the year in which, had she lived, Anne Marie would herself have graduated from the Academy, a member of the first group of girls to go all the way through the school in over 70 years.

Like Anne Marie, the recipient of her prize tonight has loved team sports. By the end of two years of participation in field hockey, basketball, and lacrosse, she has garnered recognition as co-winner of the Most Valuable Player award in the first two and is one of six seniors to share that award on the excellent girls' lacrosse team this term. Her role as a library proctor for both her years in the Academy, as a versatile performer in the Senior Spring Term Project production of Aristophanes "The Birds", and unforgettably as the redoutable Mrs. Antrobus in last year's "Skin of Our Teeth", reflect her contributions off the field. Winner of the Anne Marie Murphy Athletic Award is:

GRETCHEN HUFFSMITH of Boxford

CUMINGS PRIZE

The Cumings Prize was established by the family and friends of the late Fred T. Cumings of Troy, New Hampshire. It is awarded annually to a student who has shown perseverance, hard work, and good spirit in his school life.

Quiet and consistent leadership is perhaps the rarest kind. The winner of the Cumings Prize exemplifies it well. An honor student in each of his three years; varsity player in football, wrestling, and lacrosse for the past two --Co-captain in wrestling; much sought - after tutor by younger students and, therefore, the teaching half of the strong counselor-teacher team of senior proctors in the Cottage this year, he is:

CRAIG LANSING CLARK of Falmouth, Maine

BEST THESPIAN AWARD

Winning the Best Thespian Award in 1975 is, a special distinction. It goes to a young lady whose list of credits includes roles not only in "Man of La Mancha", "Camelot", "An Evening of Light Entertainment", "Charlie Brown", "The Night Thoreau Spent in Jail", and "Harvey"; not only outstanding performances as leads in Chekhov's *The Bear* and Wilder's *The Skin of Our Teeth*; but shared responsibility for the direction of "The Boyfriend" and Aristophanes "The Birds", as well as the Presidency of the Drama Club in one of its halcyon years:

ANNE CARTER MACKAY-SMITH of Ipswich

GAFFNEY PRIZE

The Gaffney Prize, established in memory of Robert A. Gaffney of the Class of 1940, is awarded to that senior who, in the opinion of his teachers, has been most considerate of the rights, opinions, and sensibilities of others.

Each of us in his life has mountains to climb -- often, it seems, at the most inappropriate time. Some of us lie down and quit; some of us make a start, but botch the job and wind up blaming others; a few shoulder the task, carry it through, and help others along the way. So it has been in his senior year for the winner of the Gaffney Prize. In every aspect of his school life he has seemed to give and not ask. A leader in soccer, basketball, and lacrosse, he has stood out as a team player. I can testify that in my classroom he has been among the hardest working and most improved. He is the counselor-half of that strong team of senior proctors in the Cottage. Representative of his unstinting contribution in so many areas has been his conscientious leadership as Co-chairman of the hard-working Social Committee:

INGHAM FUND SCHOLARSHIP

The Ingham Fund Scholarship was established through the generosity of the family of the late Dr. Charles S. Ingham, former headmaster of Governor Dummer Academy, in honor of his father, to help an industrious and able boy work his way through school.

This year's winner has already been a leader in his class for two years, student, athlete, editor, a prominent member of the Junior Class:

THOMAS PAUL BALF of Rockport

RICHARD HAWES FRANCIS SCHOLARSHIP

The Francis Scholarship was established by Mr. and Mrs. Clarence Francis in June 1941 in memory of their son, Richard Hawes Francis, of the Class of 1936. It is awarded each year to an underclassman of high character who has made substantial intellectual progress and who has demonstrated a spirit of cooperation and helpfulness during his school life.

The Francis Scholarship this year goes to a fine student, solid contributor, Co-captain-elect of next year's basketball team -- a well-liked and well-respected member of the Junior Class:

MICHAEL AWKWARD of Philadelphia

DEAN CHANNING HALE SCHOLARSHIP

The Hale Scholarship was established by Dr. and Mrs. Clayton H. Hale in memory of their son, Dean Channing Hale of the Class of 1961. It is awarded to that student who, through his own perseverance, has shown the most improvement in the various aspects of school life and has become an esteemed contributor to the well being of the Governor Dummer community.

The holder of the Hale Scholarship for the coming year is another of the strong juniors. No stranger to the Honor Roll, he is a fierce competitor in three varsity sports, co-Managing Editor-elect of *The Milestone*, and heir-apparent to the coveted senior-proctorship in Mr. Clunie's Mason Cottage:

JOHN JEFFCOAT OGDEN of Hamilton

HARVARD BOOK PRIZE

The Harvard Book Prize, has been endowed by Mr. Roger B. Coulter, Class of 1913, first winner of the Morse Flag and a former trustee of the Academy, so that it may be awarded each year in the future. The book is awarded to that member of the junior class deemed most worthy through high schlarship and character.

A Moody-Kent winner for scholarship last year as a sophomore, student archivist for the Academy on the verge of the Nation's Bicentennial, Editor-in-chief-elect for the 1976 *Milestone*, the recipient of this year's Harvard Book award is:

PERRY MARSHALL SMITH of Worcester

BARRISKILL PRIZE

The James M. Barriskill Prize, established in 1960 by the students in memory of Mr. Barriskill of the faculty, is awarded annually to that member of the senior class who has made an outstanding contribution in the field of music at the Academy.

As in drama, this has been a vintage year at the Academy in music. From individual and group performances, both vocal and instrumental; to the toe-tapping charm and excitement of "The Boyfriend"; to the rousing jazz-rock of the record-producing (read that any way you want to!) Governor Dummer Jazz Band, the campus has been rich in harmony, cacophony, and rhythm. There have been stand-out performances all year. At the center of virtually all of them has been the solid, singing, swinging, sonorous, swirling, and spectacularly skilled dexterity and virtuosity of:

JONATHAN DEREK BERGMANN, of Manhasset, New York

SPECIAL PRIZES

The first winner of a Special Prize tonight is representative of all the rest in that a recitation of his involvements in and contributions to his class and to the Academy would be bewildering in its length. This for the first winner throws into the spotlight his leadership as Vice-President and frequent cast member for the Drama Club; his emergence this spring in lacrosse; his election to the Cum Laude Society at the end of his junior year, and his Letter of Commendation this year as a National Merit Scholarship candidate. *PETER FORREST RICHARDSON*

This next prize winner has quietly and consistently represented the best interests of her friends and classmates and of the school from the very beginning. She was one of those intrepid girls to initiate this newly coeducational old Academy into the attractions of distaff cheerleading. Her poise and good sense were recognized in her election as Co-chairman of the Red Key Society. On the rapidly improving girls' basketball and lacrosse teams of the past two years, she has been a pillar. My favorite recollection of her will remain, however, that raw November afternoon when, with the bone-chilling rain streaming from her hair and down her face, soaked to the skin, she put to shame the boys huddling in the warmth of their dormitories, to lead four other hardy Governor's - girls across the finish line in the First Annual Girls' Cross Country Invitational.

VICTORIA ELIZABETH BELL

The virtues of steadiness, of dependability combined with selflessness find themselves extolled this evening to an extent I cannot remember in the recent past. What makes a team, a classroom, a dormitory, a school go is this kind of commitment, always there, always to be counted on. The next senior whom we honor has offered it unflaggingly in football, doggedly and ruggedly in wrestling, unfailingly in lacrosse, modestly but firmly as Chairman of the Headwaiters in the Dining Hall. Winner of the Ingham Scholarship in his junior year and of a Special Prize tonight:

BRADFORD PARTRIDGE WHITE

One of the strongest, one who has demonstrated the ability to weather disappointment while continuing to contribute in myriad ways, is this next young lady. Elected to the Cum Laude Society in her junior year, she has been Captain and co-captain of basketball and lacrosse, Co-managing Editor of the yearbook, Most Valuable Player four times on girls' teams, and winner of the Harvard Book Prize in her junior year (the only girl to my knowledge ever to achieve this distinction). These are only a few of her accomplishments. A charter co-ed in the Governor Dummer of the '70's and a leader in her class: *FIONA CONSTANCE HARRIS*

Though she has been here all too short a time, the Academy counts itself fortunate, indeed, that the next winner elected to come here for her senior year. In dance, in drama, in sports, in the classroom, and in leadership she has made her mark. Here, in one short year, holder of a National Merit Scholarship Letter of Commendation, she has repeated and extended her achievements: as co-director of "The Senior Spring Term Project" production of "The Birds", representative of her dormitory to the Student Council, member of the student-faculty Discipline Committee, a recently elected member of the Cum Laude Society -- and as a welcome blithe spirit to the Class of '75: *SUSAN FOWLER*

Chairman of the Library and Chapel Committees; member of the Cum Laude Society; taskmaster, as Editor-in-Chief, of long hours and sleepless nights leading to what we confidently expect to be an outstanding edition of *The Milestone*, this next recipient has provided me with a special moment of secret pride. Now I can, in turn, provide this senior with cause for pride, this time in himself. A Special Prize goes to Co-captain of 1975's successful varsity tennis team: *PHILIP WHEELER GEMMER*

(7)

Generosity and vitality, friendliness and loyalty, beauty inward and outward -- these have been her hallmarks. The female lead in three major musicals -- "Camelot", "The Fantasticks", and "The Boyfriend" and most recently in the precocious Mozart's early opera "Batien and Bastienne" -- whenever she has not been in the spotlight, she has worked unselfishly behind the scenes. Beloved of the children who have come to the Academy during the year as part of the program for the mentally retarded, moving spirit behind the recent Variety Show to raise money for these children -- and, with all this, having in the classroom earned for herself a place in the Cum Laude Society:

MARIA PAPAIOANOU of Haverhill

(8)

It is fitting to conclude the Special Prizes by honoring one who at the culmination of his four years at Governor Dummer has, without necessarily excelling in any single area, put it all together to achieve the acknowledgement of his peers and of his teachers and coaches as one who cares, one who gives, one who works to make things good for all. Oh, he has achieved notice now and then -- for his talents and his quick study in filling in at the last moment in "The Boyfriend", for his musicianship, for his stubborn drive in wrestling not as a star, but willingly as cannon folder. Still his real distinction lies in the respect in which he is held by the many of us, students and faculty alike, who have come to depend upon the soundness of his insights and the steadiness of his leadership.

DANIEL EDWARD CLAYMAN of Swampscott

BAUSCH & LOMB MEDAL

The Bausch and Lomb Medal goes to that senior who, in the estimation of the faculty, has been most outstanding in the study of science.

JOHN WHEATLEY HARRINGTON of Rowley

THORNDIKE HILTON CUP

The young man whom we honor this morning has been at the Academy just since September. He has lived up to his notices! -- for he arrived already embarked upon his way to becoming a National Merit Scholarship semifinalist -- and this May won election to the Governor Dummer Chapter of the Cum Laude Society. In the interium he established himself as a warm and open good fellow and an agile trackman, having this spring come closest to the school high jump record since the record itself was set. With a weighted grade-point average of 4.1 (on a 4 point scale!), the premier scholar in the Class of 1975 is:

KEVIN LEE JAMES of Plaistow, New Hampshire

THE 1975 MILESTONE

SUPPLEMENT

GOVERNOR DUMMER ACADEMY

BYFIELD, MASSACHUSETTS

DEDICATION

In the fall of 1932 a young man arrived to join the Governor Dummer faculty. In the forty-three years since, he has been actively involved in almost every aspect of school life. A member of the "Old Guard", a mathematics and Latin teacher, coach, dormmaster, he has been a stalwart pillar of this school. As the Director of Studies and advisor to the senior class, he has brought excellence to Governor Dummer. In the most demanding positions of Dean of Faculty, choir director, chapel organist, and teacher, he is highly respected by both faculty, students, and friends of the Academy. Whether he is planning curriculum, arranging schedules, or just engaging in a conversation, he is always eager and willing to place the interests of others before his own.

For his devotion, dedication, knowledge, enthusiasm, and most of all for being a true gentleman, the Senior Class respectfully dedicates The 1975 Milestone with great pride and thanks to:
